Getting Started with Online Course Selection

Home

Login

Making informed decisions about which academic courses to study is really important. Mount Albert Grammar School offers a wide variety of courses at each year level. The MAGS Schoolpoint course selection tool is designed to help you make the best possible choices by giving you information about individual courses and showing how they pathway from the junior into the senior school and beyond.

There are prerequisites that must be met to gain entry into most courses for NCEA and you will find information about any pre-requisites in the course information.

It is important to take advantage of the opportunities for advice which the school provides as you plan your courses for the coming year. Please visit the Careers Department and make an appointment to see Ms Kerrin Hanson if you need help or advice in planning for your future.
