

Safety at School

MAGS, for the safety, well-being and education of the student, expects the parent to agree to

1. MAGS staff taking action on behalf of the parent in cases of emergency
2. being responsible for the cost of any such action (such as ambulance fees.)
3. the student participating in the co-curricular activities offered by the school;
4. the student participating in Education Outside the Classroom
5. allowing the student to be walked or transported off the school campus under the jurisdiction of a member of staff, a coach, or another parent for the purpose of a school activity.
6. permitting the school nurse, when necessary, to treat the student appropriately and to administer non-prescription medicines such as paracetamol, antihistamine, throat lozenges as deemed necessary.
7. permitting the school nurse to arrange for the student to be taken to Accident and Emergency, doctor or physiotherapist in the event the parents cannot be contacted.
