2. Let us know whether you are returning next year

If it doesn't automatically ask you for this information, you can select Leaving Intentions from the left-hand menu at the very bottom (under Quick links)

The screenshot displays the SchoolPoint interface. On the left is a dark blue navigation menu with the following items: Possible Courses, Favourite Courses, Search Courses, Job Search, Assessment Calendar, Term Calendar, Daily Planner, Timetable, Portal, Useful Information, Quick Links, Useful Information (circled in red), Leaving Intentions (circled in red), Parent Portal, Calendar Feed, and Logout. The main content area is titled 'Leaving Intentions' and contains the question 'What are your plans for next year?'. Below the question is a dropdown menu with the following options: - Please Select, ✓ Returning to Mt Albert Grammar School (highlighted in blue), Another school, Apprenticeship, Employment, Further education, and Other. A blue 'Continue' button is located to the right of the dropdown menu.

4. Understanding the Menu Bar and Options

My Selected Courses

- This will show you the courses you have selected for 2024 and within this menu you can also Remove courses if you have changed your mind.
- You will automatically be enrolled in English, Maths, Science, Social Studies and PE.

Possible Courses

- This will show you the list of courses that you are eligible to choose based on your current year and current courses.

Courses List

- This will show you ALL the courses available at MAGS including Senior courses.
- This lists the courses by the Tables as above

Favourite Courses

- If you have saved any favourite courses, you can view them here.

5. As a Year 9 student you will already be entered into
- English, Science, Mathematics, Social Studies and Physical Education

You will then have 4 Options left to select. Note: if you choose an option from Table A, it will count as 2 of your 4 options.

You need to consider your options first to know which table you will select Health from.

You can choose one of the following combinations between the tables

One subject from **Table A** and **two** from **Table B** *or*

One subject from **Table A** and **two** subjects from **Table C** *or*

Four subjects from **Table B** *or*

Two subjects from **Table B** and **two** subjects from **Table C** *or*

Four subjects from **Table C**.

Course Description

Teacher in Charge: Mr B. Corkery

The Year 10 Design and Photography is a new digital art course created to prepare students for senior digital art subjects such as Photography and Design.

This will be a 1 semester course where students will explore digital art making techniques and conventions to develop and communicate ideas in a digital way.

The course will be made up of 3 units, each exploring a different art making approach.

Students will use multiple media such as personal devices, school cameras, school computers with Adobe Software such as Photoshop and school printers to develop unique ideas and work toward set tasks.

8. If you are not able to automatically select a course it will say why, but it is possible to request a special exemption if necessary (**Request Exemption**). It is advisable to speak to the teacher in charge first.

This request will not count as one of your main choices. You will still need to select up to 4 options and can be removed from one if your request exemption is approved

It may take some time to get a response to this request so please complete your other options.

Possible reasons:

1. If you are not studying a prior course required for automatic selection
2. If you are not in the current year to be able to select the course.

10 Japanese 1 (Table A) 4 lessons per week for the whole year

10JP1

This course requires 2 Lessons.

You can not select this course because your current course selection does not match the requirements for this course.

Required Options: 09JP1.
