Year 9 Academic Course

WHOLE YEAR:

English, Mathematics, Social Studies, Science, Physical Education,

SEMESTER TASTER ROTATIONS

Currently Technology/Visual Art/Health/Music

LANGUAGE OPTIONS: French, German, Māori, Japanese, Chinese

NOTE: MAGS has single sex classes for core subjects at both Years 9 & 10.

MAGS' Strategic Plan

Designed to produce an aspirational, resilient learning community that affirms personal excellence, MAGS' Strategic Plan focuses on the following areas:

Excellence Connection Growth

We are a BYOD School

Students may use either a MacBook, a Windows laptop, an iPad with a keyboard or a Chromebook as their digital learning device.

Te Puna o Wairaka

Te Puna o Wairaka, also known as "Puna", is the Māori Unit at MAGS.

It is a safe environment within which our students are able to practice tikanga Māori (customs and traditions), as well as strengthen their knowledge of te reo through various kaupapa such as karakia, whakawhanaungatanga, pōhiri and kapa haka.

This is in addition to their learning within the Reo Māori and Reo Rangatira courses in the Māori Department.

Students can apply to join Puna at any year level and at any stage throughout the year. Please contact Whāea Waimirangi Paul, Head of Te Puna o Wairaka: wpaul@mags.school.nz

Siapo

Our Siapo mentor class uses a vertical structure to support our Pasifika learners. Siapo welcomes new students **from Year 10 onwards** via an application process. To apply, or for more information, please contact Mr Corey Todd: ctodd@mags.school.nz

Sports Academies

The Sports Academies identify and work with high-performing students who demonstrate potential to become elite competitors during their time at School. The aim is to improve their skill levels so that by the time they reach senior level, they are significantly advanced.

In Years 9 and 10, students participate in their chosen Academy, representing one of eight key sports: Aquatics, Basketball, Cricket, Football, Hockey, Netball, Rowing and Rugby.

MAGS will produce well-balanced athletes with both a sporting and academic focus.

A love of training and their sport will give each Academy student the passion required to aspire to selection for the Premier team of their sport.

The Academies will improve the focus of each student with specialised programmes, where expectations are clear and standards are not compromised.

For more information, please contact Director of Academies Te Aroha Keenan: tearoha.keenan@mags.school.nz

*Academy selection must be applied for and, on acceptance, a Sports Academy Contract must be signed by each student and their parents.

Dance and Drama Academies

The Academies give those with a passion for these subjects a chance to get involved from their first term.

Year 9 Dance Academy

This is open to students who have Dance experience and/or demonstrate a passion for Dance. Students learn different genres of dance from Dance teachers and guest industry professionals, and have the opportunity to perform on stage.

Year 9 Drama Academy

This is open to those who have experience in Drama and/or who are passionate about studying Drama. Students work with a variety of scripts and drama genres, devise their own plays and develop performance skills. Emphasis is placed on developing confident self-expression and performance techniques.

Entry to the Dance and Drama Academies is by application. Please contact Director Arts Co-Curricular Ms Jacqui Cesan: jcesan@mags.school.nz

Year 9 Enrolments for 2025

ALL applications are made online at www.mags.school.nz
On the front page of our website is a box called "Enrolment".
Click on this to take you to the start of the process. All information is within this tab. Please read carefully, following the instructions to the bottom of the screen where you will see a blue box titled "Start New Enrolment Application".

In-Zone Applications

To assist with planning for 2025, please submit your In-zone application by Friday, 5 July 2024.

What is required with your application:

- Signed JP Statutory Declaration Form.
- Three forms of proof of living within the school zone. These must clearly show your name and supply address – e.g. a current electricity account, water or rates bill, official rental

agreement, internet/broadband account.

- Child's NZ Birth Certificate **OR** Passport if born outside New Zealand (must show residency status) and date of entry into NZ.

- A copy of the student's mid-year 2024 school report.

Out-of-Zone Applications for 2025

It is likely MAGS will be at full capacity in 2025. Should the Board of Trustees be in a position to approve any Year 9

Academic Testing & Sports Academy Trials

These are normally held in early November, in the morning and afternoon respectively on separate days for boys and girls. Times and dates to be advised.

out-of-zone enrolments, for 2025, these applications must be received before Wednesday, 4 September 2024, for a ballot on Wednesday, 11 September 2024.
